Program Descriptions

Greater Pittston

Spikin' It Youth Volleyball - Lead by coach Johanna Rehill from Pittston Area HS and players! Coach Rehill will lead introductory skills for any new player to learn the game and discover the fun of playing volleyball!

Ace It! Youth Tennis – Following USTA's Net-Generation program, local tennis player and teacher, Tiffany Callaio will lead the kids in interactive and fun activities all while learning the game of tennis! Equipment is provided.

Messy Art*– Led by local artist Bria Brombacker, kids will get a chance to be creative and messy! We'll do all the clean-up!

Canvas Creations* - Using canvas boards, Bria will focus on a different weekly creation for youth to take home, gift or share with friends and family!

Sensory Central!* - We'll be digging into different toys and textures for fun with puddy, gak, sand and more! A few make-n-take items will be created as well!

Cool Math Club - How good are you at math!? Take our weekly challenge to work on fun riddles and clues to solve fun math problems!

Can you Code It? - Using mini-robots called an Ozobot, kids will create different coded messages to lead them through weekly challenges!

Play Dough'ers Club* - Create different dough creations and use different toys to make keep the imagination and fun going each week!

Slime Time Club* - Icky, sticky and fun! We'll make different slimes weekly!

Tumbling Classes - Fun and Balance—Different progression through skill levels!

* Indicates a 1x Material Fee of \$5 per participant per session
