- Private/Semi-private lessons are not available for Stages A and B.

Lap Lanes/Open Swim

Reserve your spot by calling or texting 570.763.9051 or call the main office.

Lap lane reservations will continue through Phase 2. Total available spaces will be increased to 8; everyone will be asked to split a lane with one other person. We encourage you to start at alternate ends and limit your interactions with those you are sharing a lane with. Members of the same household may have up to 4 in one lane and utilize circle swim. Equipment is still not available for use. The girl's and boy's locker rooms are open for showers and changing.

Day of reservations will be accepted, but spaces are not guaranteed. You must arrive by the midway point of your reservation or your lane will be given to someone else who is waiting.

We appreciate your understanding and patience as we begin with this reopening of our programs, and look forward to having you and your children back to the pool!

*A *household adult* is someone 18 years and older who has had prior contact with the swimmer during the stay-at-home order and will continue to be closed exposed with the swimmer.
